

Privacy Policy for DNP Prescriber Pro

Effective Date: June 2026

DNP Prescriber Pro ("the App") is owned and operated by Developmental NP Behavioral Health Services ("we," "our," or "us"). This Privacy Policy explains how we collect, use, disclose, and protect information when you use our mobile application and related services.

Information We Collect

Information You Provide

Depending on how you use the App, we may collect:

- Name
- Email address
- Account credentials
- Subscription and billing information
- User feedback and support requests

Automatically Collected Information

When you use the App, we may automatically collect:

- Device type and operating system
- App version
- Usage analytics
- Crash reports
- Diagnostic information
- IP address

Clinical Information

DNP Prescriber Pro is intended as a clinical reference and educational resource for healthcare professionals.

The App is not designed to collect, store, or transmit protected health information (PHI), patient records, medical charts, or personally identifiable patient information. Users should not enter patient-identifying information into the App.

How We Use Information

We may use collected information to:

- Provide and maintain the App
- Improve functionality and user experience
- Process subscriptions and payments
- Respond to support requests
- Monitor performance and security
- Comply with legal obligations

Sharing of Information

We do not sell personal information.

We may share information with:

- Service providers that assist with hosting, analytics, payment processing, and technical support
- Government authorities when required by law
- Successors in the event of a merger, acquisition, or business transfer

Data Security

We implement reasonable administrative, technical, and physical safeguards designed to protect information from unauthorized access, disclosure, alteration, or destruction.

However, no method of electronic transmission or storage is completely secure, and we cannot guarantee absolute security.

Data Retention

We retain information only as long as necessary to:

- Provide services
- Fulfill legal obligations

- Resolve disputes
- Enforce agreements

Third-Party Services

The App may use third-party services including:

- Apple App Store
- Analytics providers
- Payment processors
- Cloud hosting providers

These services operate under their own privacy policies.

Children's Privacy

DNP Prescriber Pro is intended for healthcare professionals and is not directed toward children under 13 years of age. We do not knowingly collect personal information from children.

Your Rights

Depending on your jurisdiction, you may have rights to:

- Access personal information
- Correct inaccurate information
- Request deletion of personal information
- Object to certain processing activities
- Request data portability

Requests may be submitted using the contact information below.

Medical Disclaimer

DNP Prescriber Pro provides educational and clinical reference information only.

The App does not provide medical advice, establish a provider-patient relationship, diagnose medical conditions, or replace professional clinical judgment. Healthcare professionals remain solely responsible for patient care decisions.

Changes to This Privacy Policy

We may update this Privacy Policy periodically. Updates will be posted within the App and on any associated website. Continued use of the App after changes become effective constitutes acceptance of the revised policy.
